DR. ROBERT DeMARIA, REKNOWN AUTHOR, WILL BE ON “DR. KING’S HEALTH FUSION HOUR”

Fort Lauderdale, Florida – On Wednesday, February 3, 2010, International Holistic Center’s Dr. King’s Health Fusion Hour radio talk show presents Dr. Robert DeMaria to discuss how to beat Attention Deficit Hyperactivity Disorder (ADHD) without Drugs.

Dr. Bob has been providing and championing alternative health solutions to thousands of patients globally for over thirty years. Realizing that the world needs a drugless “hero”, Dr. Bob has answered the call by writing six books in the “Dr. Bob’s Guide to Health” series. These books delve into Dr. Bob’s expertise in the areas of ADHD, Female Hormones, and Sex and Relationships. Dr. Bob’s keen intellect and “go-get ‘em” attitude has resulted in many TV and radio appearances, including regular segments on Cleveland Fox 8’s “That’s Life with Robin Swoboda”, WFAN in New York City, and his own “Half-Hour to Health” television program which airs each Saturday in the Northern Ohio market. Dr. Bob’s drugless approach emphasizes education, empowerment, and prevention, which are three qualities that our world needs most. Dr. Bob’s mission is to provide answers to topics for which we all have questions.

International Holistic Center was founded by Dr. Elizabeth King’s personal quest for effective pain management.
