### **CHRONIC PAIN SOLUTIONS WITH DR. JAMES N. DILLARD ON DR. KING'S HEALTH FUSION HOUR**

**Fort Lauderdale, Florida** – On Wednesday, May 19, 2010, International Holistic Center's Dr. King's Health Fusion Hour radio talk show presents Dr. James N. Dillard M.D., D.C., C.Ac. He will be discussing his latest book, "The Chronic Pain Solution: Your Personal Path to Pain Relief".

James N. Dillard, M.D., D.C., C.Ac., is one of the leading pain specialists in America. Uniquely trained as an acupuncturist, chiropractor, and medical doctor, he can see the problem of chronic pain from many sides. Dr. Dillard is included in New York Magazine's prestigious listing of New York's Top Doctors for 2007, 2008 and 2009, and is only 1 of 3 doctors cited in New York Magazine for practicing "complementary medicine". Dr. Dillard was the author and moderator for the national PBS television special "Chronic Pain Relief" and co-author of "Alternative Medicine for Dummies". He served as an assistant clinical professor, Columbia University College of Physicians and Surgeons for 12 years, and was the Medical Director of Columbia's widely-respected Rosenthal Center for Complementary and Alternative Medicine during his years at Columbia University Medical Center. He resigned from employment at Columbia in 2006, to go exclusively into private practice in Manhattan, and in East Hampton, NY. His many other media appearances have included The Oprah Winfrey Show, Good Morning America, and the CBS Evening News.

International Holistic Center was founded by Dr. Elizabeth King's personal quest for effective drugless pain management after having 35 surgeries and being bedridden for almost 2 years. Now the Center is the destination for advanced integrative healthcare and wellness services. Dr. King also hosts the "Health Fusion Hour," a one-hour radio talk show with a holistic perspective. The show airs weekly on WWNN 1470 AM, the Health and Wealth station, live on Wednesdays from 10-11 AM and rebroadcast Fridays from 3-4 PM and Saturdays from 7-8 PM.
