INTRODUCTION

Where Opportunity Meets Talent®

Research has proven that job-related talents are directly related to job satisfaction and personal performance. People are well positioned to achieve success when they are engaged in work suited to their inherent behavioral style and unique values. Your TTI Insights Talent Report can be compared with specific job requirements outlined in TTI Insights Job Reports. When the talent required by the job is clearly defined and in turn matched to the individual, everyone wins!

The following is a highly-personalized portrait of your talent in two sections:

SECTION 1: PERSONAL INTERESTS, ATTITUDES AND VALUES (6 AREAS)

This section identifies what motivates you. In order to be successful and energized on the job, it is important that your underlying values are satisfied through the nature of your work. When they are, you feel personally rewarded by your work.

SECTION 2: BEHAVIORAL HIERARCHY (8 AREAS)

This section ranks the traits that most closely describe your natural behavior. When your job requires the use of your top behavioral traits, your potential for success increases, as do your levels of personal and professional satisfaction.
